Perfect Turf

Dog Runs

They're doggone PERFECT!

Benefits:

1. No Muddy Paws!

You thought you loved your dog before, you'll love Fido even more when he comes in with clean paws!

2. Much easier to maintain than natural grass, saves money.

No mowing, no weeding, no fertilizer, no dead spots – just green grass 24/7/365.

3. Droppings become dry & hard making clean up a breeze!

Even the worst droppings dry out quickly and are easy to pick up.

4. Healthier for your Dog(s).

No fertilizers. No pesticides. Greatly reduces mosquitoes and bugs.

5. Long Life.

Installed in 1-3 days, expected to last 10-15 or more years.

Order **Perfect Turf®-PetGrass** Pods and you have a complete system delivered and ready to go!

FREQUENTLY ASKED QUESTIONS

Q. Can I install it myself?

A. Yes, we recommend installation by a professional, but many homeowners install it themselves. **Perfect Turf®** can be laid over most any surfaces that will allow drainage. We recommend at least 2" of crushed stone for the base. If necessary, **Perfect Turf®** can be installed over dirt and a weed barrier.

Q. What if my pet likes to dig?

A. **Perfect Turf®-PetGrass** is extremely durable and most dogs will give up after an unsuccessful dig.
