

## Perfect Turf® PetGrass®

**Description:** PetGrass® is designed specifically with your best friend in mind. PetGrass® is infused with LIFE® Materials anti-microbial additives that kill bacteria to create a healthier and more sanitary environment while minimizing odor. The two-tone blades combined with a tan or green thatch layer helps create a very natural or professional look for this turf. The backing is designed with *five times* the drainage holes as other turfs. Combined with the anti-microbial additives, this turf provides excellent drainage, odor and bacteria control, all while maintaining its durability.

**Applications:** Indoor or outdoor use for pet resorts, dog kennels, residential yards, dog runs, veterinary hospitals, municipal dog parks, or any area where people walk dogs.

**Face Weight:** 64 oz.

**Pile Height:** 0.95"

**Roll Width:** 15' (180") wide rolls.

**Yarn Color:** Two-tone grass blades.  
Thatch comes in a tan or green option.

**Yarn Type:** 11,800 denier two-tone monofilament polyethylene grass blade and a curled polyethylene thatch layer. PetGrass® yarns are fabricated with anti-microbial additives built into the yarns.

**Construction Details:** Type: Tufted. | Gauge: 3/8 inch.

**Primary Backing:** 6 oz. 2-layer polybac

**Secondary Backing:** 24 oz. special anti-microbial infused polyurethane backing that is exclusive to PetGrass®.

**Perforations:** 2" x 2" on center with additional holes to assure complete drainage.

**Infill Requirements:** No.

**Warranty:** Ten (10) year manufacturer's warranty.
